

# **TARIFF**

## **for pilot boat service for transfer of people associated with the operation of vessels in the Gdańsk Seaport Waters Region valid from 1 April 2024**

1. The request for pilot boat service is to be directed to the Pilot Station Dispatcher.
2. The service can be carried out if it does not interfere with the current work of the Pilot Station and depends on the current pilot vessel engagement and weather conditions
3. The charges for pilot boat service are expressed in EUR. Calculation of the tariffs in payment currency is performed on the basis of the average conversion rate in the Conversion Table of Polish Zloty, published by The National Bank of Poland, to foreign currency binding on the date of the day before the pilot boat service is completed.
4. The charges for pilot boat services depend on the distance measured in nautical miles covered by the hired pilot boat.
5. The fee is calculated as follows:
  - a) for covering the distance up to 4 nautical miles 200 EUR
  - b) for covering the distance up to 6 nautical miles 265 EUR
  - c) for covering the distance up to 8 nautical miles 340 EUR
  - d) for covering the distance up to 10 nautical miles 400 EURand for every commenced 2 nautical miles an additional fee of 100 EUR
6. For waiting time of the ordered pilot boat, lasting over 30 minutes, a fee of 100 EUR is levied for each commenced 30 minutes.
